A Note to Trainers and Exhibitors:

Thank you all so much for your support throughout the years! We like to be the show to go to when you're starting out your young horses and riders, as well as the more experienced. We try to keep the rings and courses simple yet nice enough to prepare them for that next step up. We feel that our shows provide a good bridge between the local and rated shows while keeping it cost-effective. And since you know we love our Thoroughbreds please keep them coming! We truly enjoy seeing them out there progressing in their second career.

HHF is proud to announce that they are taking on the Genesee Valley Breeders Association classes in conjunction with their own August HHF Show this year. The \$10,000 prize money allocated by New York State through GVBA has been made available to the exhibitors at the show.

Stalls are available on a first come, first serve basis. Please call or text (716) 913-0392 to make reservations. No reservations accepted without payment.

Thanks so much!
Becky & Jaime

Animal Health Requirements For Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)

NYS Department of Agriculture and Markets/Division of Animal Industry 10B Airline Drive, Albany, NY 12235

518-457-3502 www.agriculture.ny.gov/AIAHome.html

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to or require removal from the fair premises, or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease. NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.
- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Animal Identification

CERTIFICATE OF VETERINARY INSPECTION (CVI) A CVI is required for cattle, horses, swine, sheep, goats, llamas/alpacas, deer/elk and misc. ruminants moving interstate. The one exception would be horses accompanied by a valid GoPass issued by a participating state. Details on the GoPass are available at www.globalvetlink.com and from your veterinarian. Note that interstate CVI's must be issued by a Category 2 accredited veterinarian. The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season, from July 1 through Labor Day, interstate CVI's can be used multiple times as long as the initial entrance to a fair in NY is within 30 days of CVI inspection and the CVI is initialed by a NY state official at the fair. All documentation must accompany the animals. Animals not meeting the interstate and/or fair requirements will not be allowed on the grounds. Individual ID is required on all animals. Animals with incomplete or illegible ID will be rejected. Where rabies vaccination is required, the information can be included on the health certificate. **HORSES** Horses 6 months of age or older must test negative for equine infectious anemia. The test must be conducted within 12 months of the day of entry. The horse must be clearly and completely identified. Rabies vaccination is required for all horses 4 months of age and older on date of admission to a fair. Vaccination must be within the past 12 months • Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. • Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record. The test must have been conducted during the current or previous calendar years for New York origin horses. For imported horses, the test must be conducted within 12 months of entry. • The EIA test certificate must include a complete description of the horse. • Rabies vaccination is required for all horses 4 months of age or older (see above). • A valid GoPass equine passport can be used as an entry document. If interested in the GoPass contact your veterinarian. More information is available at

GlobalVetLink : <http://www.globalvetlink.com/>

ISOLATION ON RETURNING HOME

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals the owner should contact their veterinarian immediately.
