**"Something a little different!" After the crazy year we've had, we wanted to offer an event for you and your horses to build confidence and make sure you have a great time!"**

Note to trainers and exhibitors,

Thank you all so much for your support throughout the years! We like to be the show to go to when you're starting out your young horses and riders, as well as your more experienced. We try to keep the rings and courses simple, yet nice enough to prepare them for that next step up. We feel that our shows provide a nice bridge between the local and rated shows, while keeping it cost effective. And, since you know we love our Thoroughbreds, keep them coming! We truly enjoy seeing them out there progressing in their second career. Stalls are available on a first come, first serve basis. Call or text (716)913-0392 to make reservations.

Check out [hastyhills.com](http://hastyhills.com) for more info!!

Thanks so much!

*Becky & Jaime*

## Hunter Derby Specifications

### Classic 2 Round Format

In the two-round format, a minimum of two judges utilize the open numerical system to score competitors in the Classic Hunter Round (first round) on performance, hunter pace, jumping style, quality and substance, and movement. In addition, the base score in the Handy Hunter Round (second round) reflects brilliance of pace and handiness. In each round, after the judges' base score is given, one point will be added for each high-option fence jumped up to a maximum of four. The point must be added even if there is a refusal, rail down or loss of good jumping style at that fence, providing that the horse-and-rider combination does jump the higher height fence option.

Obstacles are reminiscent of the hunt field and must offer a variety of appearances, such as natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxe, brush, logs and natural foliage. Natural obstacles such as banks and ditches are allowed. The Handy Hunter Round should simulate riding over hunt country and incorporate options such as tight turns, clever options for jump approaches, hand galloping and trotting a fence.

The 12 highest-scoring horse-and-rider combinations after the first round are eligible to return for the second round. The pair with the highest two-round score is declared the class winner. The top eight horse-and-rider combinations are expected to ride for ribbons and prize money.
