HASTY HILLS FARM EQUINE DEVELOPMENT INCENTIVE PROGRAMS 2017 NOMINATION FORM

Exhibitor Information

QUALIFYING

To qualify for Finals, each horse must show in at least one qualifying class in its nominated incentive program division. In the event that a horse is sold, points will transfer to new owner.

Each qualifying class will be judged on an open numerical scoring system. Points will be awarded as follows:

- Classes with fewer than 6 entries: 15-10-7-5-3-1
- Classes with 7 or more entries: 20-15-10-9-8-7-6-5-4-2

If divisions are small (fewer than 6 nominated horses), they may be combined at the discretion of the committee.

FINALS

Classes will carry triple the point value as compared to qualifying classes, as described below:

- Classes with 7 or more entries: 60-45-30-27-24-21-18-15-12-6

Each nominated horse will enter the Finals with their total points collected throughout the qualifying process. This total will then be added to the points accrued based on Finals ranking.

Championships will be awarded to the horse with the highest total points in its nominated division at the end of the Finals.

PAYOUTS

Nomination fees and a portion of class entry fees will be added to a fund for the appropriate specific incentive program division, and split to the winners at the Finals in August, held the weekend of August 26-27, 2017 at Hasty Hills Farm.

The fund per incentive program division will be split as follows for the winners:

- | | | |
|-------------------------|------------------------|-------------------------|
| • 1 st – 30% | • 5 th – 6% | • 9 th – 3% |
| • 2 nd – 22% | • 6 th – 5% | • 10 th – 2% |
| • 3 rd – 13% | • 7 th – 4% | |
