

Hasty Hills Farm Inc. is located on 38 acres of rolling hills in scenic Wyoming County, NY.

Several large pastures and paddocks surround 3 main barns, an 80' * 180' indoor arena and a huge outdoor, grass ring. Both rings are filled with colorful hunter and jumper courses to accommodate our busy training, sales, and summer horse shows. The farm houses around 50 horses with a separate barn with larger stalls for broodmares. The two lower show barns are equipped with wash stalls and direct access to both riding arenas. The farm is truly gorgeous with a spacious setting and a workmanlike, effective design. Board includes daily turnout, 3 feedings and daily stall cleaning. Programs that include daily grooming, training, and lessons are also available. Weekly vet and blacksmith visits ensure convenient and accurate horse care and records. Other services are available at the discretion of the customer and barn manager. For more information and prices call (585)457-9819.
